Mr Parker,

Dear Sir

I take this opportunity of writing you a few lines, to inform you of our health. we are in good health at this time, and hope these few lines will find you all enjoying the same blessing, we also write to extend our sincere thanks to you and to the vigilance committee for the interest in which they are practically manifested in our well fare, and to home we feel ourselves under great obligations to we saw by the publick press, that there are efforts being made, to raise money to purchase our liberties. I must say to those who are making that effort that we think that they are doing us great injustice, by recognizing us as property, and being willing to pay our oppressors for in Slaving us so long. we will be very much obliged to you, if you will use your influence, against any such efforts if brought under your notice. Ellen sends her best regards to you and Mrs Parker, and Miss Stevenson.

Yours respectfully,

Wm Craft.

Rev. Mr Parker.
